ADVANCE combines the proven reliability of the world's most trusted name in electronic locking with a fresh new aesthetic that is designed to meet the needs of the demanding hospitality environment.

ADVANCE features a unique two-piece modular design and an array of attractive options that allow you to seamlessly blend your guest room door locks into any hotel decor. One look at ADVANCE and you'll never look at doors locks the same way again.

Upgrading to ADVANCE RFID

For current ADVANCE magstripe lock customers, upgrading to ADVANCE RFID is quick and easy. Installation is as simple as replacing the existing magstripe stripe reader with the ADVANCE RFID reader. The entire installation takes less than five minutes per door.
